Charley Johnson, well known Maysville colored citizen and horse handler wants the Public Ledger to put his friends right on something that has caused him considerable trouble. Because of his name Charley has found himself recently in very embarrassing positions. He wants all of his friends to know that he is not the Charley Johnson recently fined in a local court for stealing a turkey, neither is he the Charley Johnson arrested on a vagrancy charge and ordered by City Judge Curran to go to work.

The Sixth Ward Parent-Teachers Association will hold its regular meeting Friday, February 3rd.

GOVERNMENT TO INVESTIGATE DISASTER

Federal Government Will Immediately Begin Investigation Into the Theater Disaster.

Washington, Jan. 31. — All the powers of the federal government will be exercised to probe the Knickerbocker Theater catastrophe, it was learned today.

If the investigation shows faulty or cheap construction or lax building inspection methods, those responsible will be charged with criminal negligence and prosecuted relentlessly, Harry M. Daugherty attorney general said.

Congress, the executive departments and the district government have joined in inquiry into every phase of the disaster.

Police said today a careful check-up has decreased the death list to 95. Other deaths were expected in hospitals.

Six army and navy construction engineers will investigate the construction of the theater for the Department of Justice.

Reports were current that concrete in the roof and walls was in a crumbling state, and that reinforcements were lacking.

The report of the army-navy experts will be placed before a federal grand jury here.

LOVE NEGRO GIVES SIXTY

POLICEMEN BATTLE

Boston, Jan. 31. — Sixty patrolmen, armed with riot guns, battled more than an hour early today against Renzy Murray, a negro, who barricaded in his home in the South End, shot and seriously wounded two patrolmen, a negro and a white, and set fire to a bed in which an infant lay. Murray surrendered uninjured when a dozen officers broke down the door of the house. Shouts of "Lynch him!" were made by the crowd that fought to get at him. He was roughly handled before the officers put him in a patrol wagon.
